

Test Case

Project Name: SmallWorld

Test Case ID: 3

Test Designed by: Lauren McMillen

Test Priority (Low/Medium/High): High

Test Designed date: 5/11

Module Name: Use Case Tests

Test Executed by: Lauren McMillen

Test Title: Form Teams

Test Execution date: 5/12

Description:

1. The tester will create a team as a mentor who hasn't created a team yet and fill out each of the valid fields.

2. The tester will join a team as a student who hasn't joined a team yet.

Alternate 1: The tester will create a team as a mentor has created a team already.

Alternate 2: The tester will attempt to create a team by not filling out the required fields.

Alternate 3: The tester will attempt to join a team as a student who has already joined a team.

Objective:

1) Successfully create team

2) Successful join team

A1) Not be able to create a team

A2) Not be able to create the team

A3) Not be able to join the team

Pre-conditions: Tester has access to valid usernames and passwords from previous test case.
