

CS-UH 2012: Software Engineering
Spring 2020

Course Project

Deliverable#1: Groups and project proposals

Step 1 (Due Date: March 10th):

- This project will be carried out as a **group effort**.
- Each team will consist of **at least 3, at most 4 members**.
- **List the names** of the group members in the project proposal.
- You have to propose your own idea for a system by **Tuesday, midnight March 10th**.
- Submit the project proposal (use System request template) via NYU Classes.
- The earlier you submit your proposal the earlier the feedback will be.
